Currently, a CSE junior at IIIT Sri City, looking for opportunities to learn and enhance my skills in the field of computer science and technology. I'm interested in Competitive Coding, Web Development, DevOps and looks forward to explore, learn and adapt to new and better technologies

PROJECTS

News Aggregator (December 2021)
Reading news has also been a part of human lifestyle since centuries. Newspapers, magazines and articles were there to provide the knowledge as well as the entertainment.

Portfolio (August 2021)
My personal Portfolio website.

Gate Way (April 2021)
It is a Web development project. The most advanced security and community management app is designed for community use that simplifies everyday living for your housing society.
